

**MIOSHA Act 154,  
Part 42. Hazard Communication for Construction,  
Part 92. Hazard Communication for General Industry,  
Part 430. Hazard Communication for Occupational Health  
Compared with  
29 C.F.R. 1910.1200 Hazard Communication**

**Summary:** Part 42., Part 92., and Part 430. contain, as one unified standard, all of the provisions of hazard communication. The significant differences between this standard and 29 C.F.R. 1910.1200 Hazard Communication are:

- The inclusion of a forward page that includes the background to Michigan's Right to Know Law and Hazard Communication Standards
- The inclusion of Act 154 Amendments Act No. 80 of the Public Acts of 1986 Effective April 7, 1986
- Scope and application rules
- Hazard communication; adoption by reference; availability rules
- Retention of department of transportation markings, placards, and labels; adoption by reference; availability rules
